

## Subject Index

Adjacent segment.....	229	Epidural steroid injection .....	154
Adolescent idiopathic scoliosis.....	75,125,196,207,211	Epigallocatechin-gallate .....	170
Adult spinal deformity.....	135	Extruded lumbar .....	148
Aggressive discectomy.....	222	Extrusion.....	188
Alignment.....	24	Facet joint .....	18
Ankylosing spondylitis.....	1	Far lateral disc herniation .....	18
Annulus repair .....	167	Fusion .....	11
Anticoagulant treatment.....	108	Fusion surgery.....	229
Arachnoid cyst .....	116	Gabapentin.....	116
Asymptomatic .....	188	Giant cell tumor .....	41,47
Atlantoaxial subluxation.....	254	Glioblastoma .....	55
Atypical scoliosis.....	6	Green tea .....	170
Bakker classification.....	80	Gunshot wound .....	179,180
Balance.....	24	Herniectomy.....	148
Blood spine barrier.....	185	High speed burr.....	41
Body image .....	125	Histopathological diagnosis.....	101
Brace.....	196	Idiopathic scoliosis.....	75
Brace treatment.....	211	Immunostaining.....	170
C57Bl6 mice .....	201	Implant failure.....	51
C7-T1 disc herniation .....	111	Infection.....	245
C8 radiculopathy.....	111	Insufficiency fracture.....	80
Caudal.....	154	Intradural lesion.....	101
Cement .....	41	Isolated C1 spinal stenosis.....	119
Cervical implant.....	188	Isthmic spondylolisthesis .....	160
Cervical instability.....	254	Kyphoplasty .....	176
Cervical spine.....	32	Laminectomy.....	11,216
Cervical spondylosis .....	88,119	Laminoplasty.....	88
Cervical spondylotic myelopathy .....	216	Lateral interpedicular approach.....	18
Cervicothoracic junction.....	111	Lateral mass .....	88
Clinical outcomes .....	135	LDH.....	96
Complex regional pain syndrome.....	257	Lenke type 5C AIS.....	64
Complications .....	28	Less invasive listhesis surgery .....	160
Compression fracture .....	176	Lipid peroxidation .....	170
Conservative treatment.....	211	Long-segment fusion.....	68
Coronavirus.....	192	Loss of correction.....	64
Corpectomy .....	88,216	Low back pain .....	234
COVID-19 .....	192	Lumbalisation .....	234
Cutaneous meningioma.....	113	Lumbar .....	154
Decompression.....	11	Lumbar disc herniation.....	96,141,239
Deformity.....	1	Lumbar spine.....	51
Degenerative spine .....	229	Lumbosacral.....	24
Degenerative spine surgery.....	28	Lumbosacral transitional vertebra .....	234
Dermal sinus tracts .....	113	Management .....	101
Disc herniation .....	148,167,22	MCID.....	135
Discectomy.....	148,245	Migration .....	51
Dorsalgia.....	116	Morbidity.....	179,180
Dynamic instrumentation .....	251	Mortality.....	36
Dynamic system .....	167	Multi-level disc disease.....	154
Early recurrence lumbar disc herniation .....	96	Myelopathy .....	119
Electrocauterization.....	41	Nitric oxide.....	201
Electron microscope .....	170	Non-selective fusion.....	64
Endoscopic lumbar discectomy.....	239	ODI.....	135
Epidermoid tumour.....	113	Oestrogen.....	201

## Subject Index

Osteoid osteoma.....	6	Spinal cord injury.....	170,257
Osteoporosis.....	36,176	Spinal decompression.....	185
Osteotomy.....	1	Spinal disease.....	257
Painful scoliosis.....	6	Spinal stenosis.....	11,51
Pandemic.....	192	Spinal surgery.....	257
Patient-specific thoracolumbar brace.....	211	Spinal tumor.....	101,257
Pedicle screw.....	207	Spine.....	6,179,180,196
Pedicle screw instrumentation.....	51	Spine surgery.....	32,192
PEEK rod.....	251	Spino-semilamina-facet sparing.....	160
Phenol.....	41	Spinopelvic fixation.....	68
Posterior approach.....	111	Spondyloarthropathy.....	254
Posterior fusion.....	207	Spondylolisthesis.....	24
Posterior longitudinal ligament ossification.....	185	Spontaneous regression.....	141
Pott disease.....	60	Spontaneous spinal epidural hematoma.....	108
Primary bone tumor.....	47	Stenosis, spinal cord.....	216
Primer spinal cord tumor.....	55	Stress fracture.....	80
Prognosis.....	64	Subcutaneous.....	245
Proximal junctional kyphosis.....	207	Superior articular process.....	18
Psoriasis, psoriatic arthritis.....	254	Surgery.....	24,60,113,179,180,196
Radiculopathy.....	141	Surgical.....	245
Radiofrequency ablation.....	85	Surgical approach.....	101
Raloxifene.....	201	Survey.....	196
Recurrent laryngeal nerve palsy.....	32	Thoracic.....	116,251
Recurrent lumbar disc herniation.....	96	Thoracic spine.....	47
Reliability.....	239	Thoracolumbar.....	176
Reoperation.....	135	Transforaminal.....	154
Respiratory function.....	75	Treatment.....	60,80
S2-alar-iliac screw.....	68	Triaging.....	192
Sacral insufficiency fractures.....	36	Tuberculosis.....	60
Sacralisation.....	234	Unilateral instrumentation.....	11
Sacrum.....	41,80	Unintended dural injury.....	28
Sagittal.....	24	Vertebral haemangioma.....	85
Sagittal plan deformities.....	201	Vertebroplasty.....	85
SARS-cov-2.....	192	Warfarin.....	108
Scoliosis.....	201	White cord syndrome.....	185
Sequestrectomy.....	222	Wound.....	245
Selective fusion.....	64	Young patient.....	55
Self-perception.....	125	Youtube.....	239
Spinal.....	60
