

Steps to share the link to your PoolText Report

1

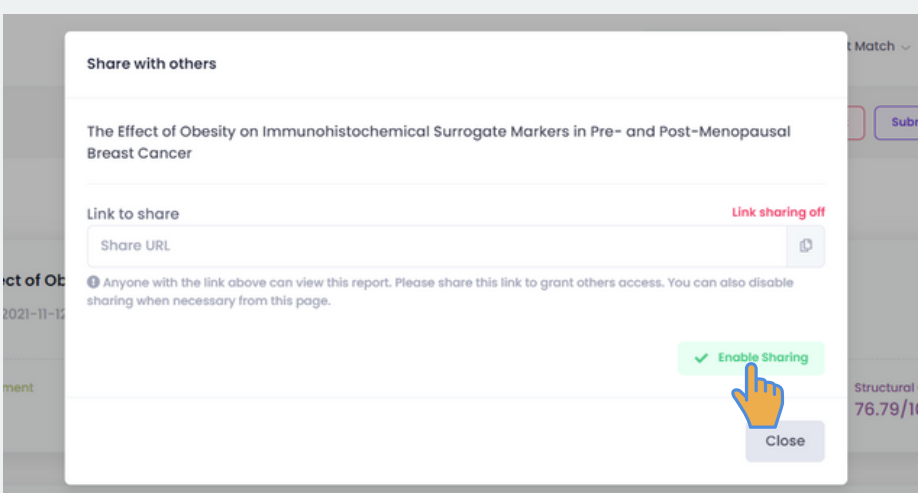

Click on the "My Reports" tab on your dashboard.

2

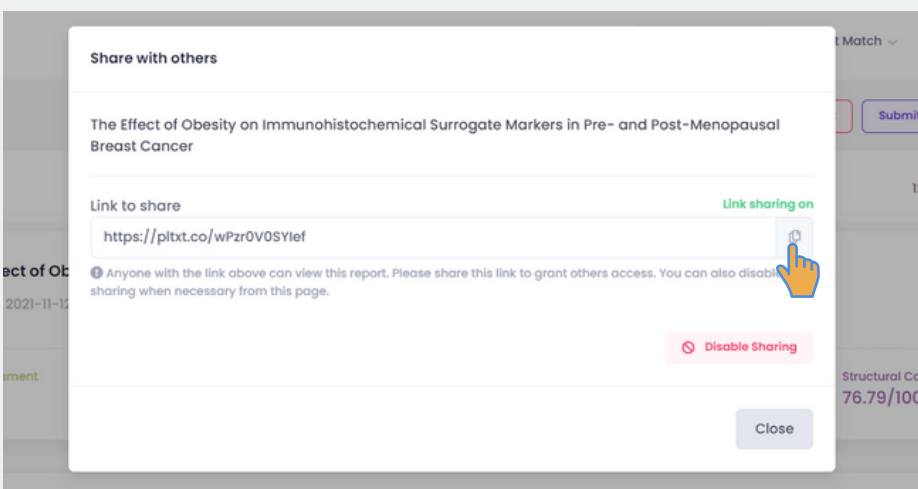

Click on the "Share" tab next to the report that you want to create a shareable link.

3

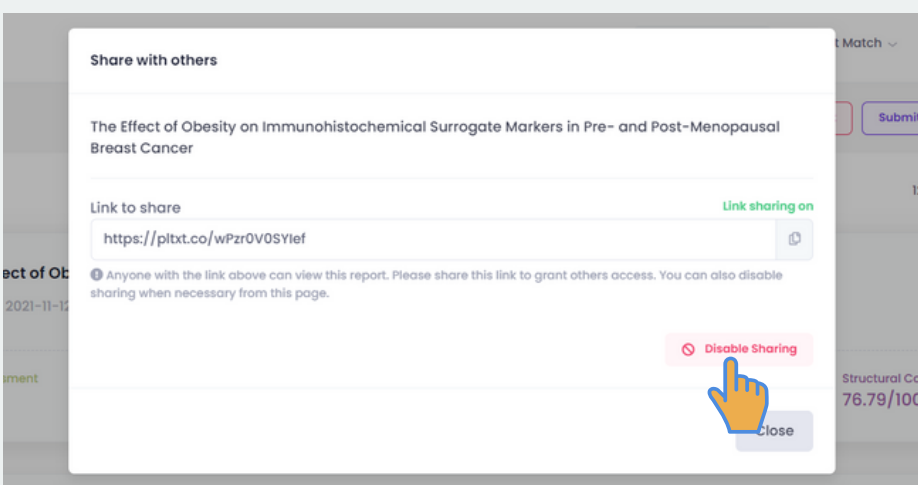

A modal will be open for you to proceed. Click on the "Enable Sharing" button on the modal

4

Copy the link that is created on the modal.

5

You can also disable sharing on the same screen whenever necessary.
