

VIRAL HEPATITIS SOCIETY

Viral Hepatitis Journal

VİRAL HEPATİT DERGİSİ

EDITORIAL

Dear colleagues,

In this Issue, there are two review articles about epidemiology of viral hepatitis from Denmark and Croatia.

Our aim is to have an open acces for our journal so that everybody can hear and learn about all the latest developments. In line with this, we expect your contributions with articles, case reports, reviews, and letters to editor.

Prof. Dr. Fehmi Tabak
